Service and Parts, right NOW.

Gamka's Service Department is fully equipped with the experienced mechanics, tools and machinery to repair any light to medium sized construction equipment or power source owned by Gamka's customers, whether fueled by gasoline, diesel or electricity. Gamka offers complete engine rebuilds, in house. Air and electric tools and laser repairs are also done routinely.

All work is guaranteed for 30 days against defective parts or labor and estimates will be provided upon request, before work is begun. We specialize in rapid turn-a-round.

For customers wishing to perform their own repairs and service, Gamka's Parts Department has more than 9,000 items in stock, including equipment and engine parts and lubricants, coolants, shop supplies and special tools.

Gamka is not a Chain Store.

When you deal with Gamka you work with a family-run organization that began in 1986. At Gamka you can speak with owners. The buck stops in Edison, NJ at 983 New Durham Road, not in some distant corporate headquarters. You will find Gamka is a world apart from the typical chain store. Gamka services just the needs of contractors, municipalities, and industry, not home owners.
